**Predmet: ODGODA ALPE ADRIA – CESTOVNE MOTO UTRKE ,
SLOVAKIARING, 07.04.2013.**

Poštovani,

Ovime vas obavještavamo da je zbog jako loših vremenski uvjeta i negativne reakcije vozača odlučeno da se UEM Alpe Adria prvenstvo predviđeno da se održi od 5. do 7. travnja 2013. na Slovakiaring na taj datum **ne održi**.

To je konačna odluka.

Uprava Slovakiaringa ovim putem se ispricava svima kojima je takva odluka prouzročila bilo kakve probleme.

Dear all!

After so many negative reactions and responses we have got on the decision to organise the UEM Alpe Adria Championship event on the Slovakia Ring circuit on the date 5.-7.4.2013 the management of the racetrack decided to consult this situation again with the UEM Alpe Adria Championship management.

Today (3.4.2013) after the discussion between the UEM Alpe Adria Championship management and the Slovakia Ring circuit management a second – FINAL decision was made:

DUE TO THE BAD WEATHER CONDITIONS AND NEGATIVE REACTIONS FROM THE RIDERS WE DECIDED TO NOT ORGANISE THE UEM ALPE ADRIA CHAMPIONSHIP EVENT ON THE SLOVAKIA RING RACETRACK ON THE DATE 5.APRIL – 7.APRIL 2013 !!!!!

This decision is final !!!

The Slovakia Ring management and team would like to apologize to everybody for the inconveniences and problems caused by these decisions.

Best regards,

Günther Zaritsch,
Ladislav Snegon
